The Deluxe Town Diner History

The Deluxe Town Diner has been in operation since 1947 when it served factory workers and neighborhood residents 'round-the-clock. Always a family-owned and operated restaurant the diner was affectionately known as the 'Town Diner' or 'Town-Line Diner'. Today the 'Deluxe Town Diner' preserves the original tile, stainless steel and exterior neon as well as committed to "fine dining". We hope you enjoy your meal and appreciate the diner history and architecture.
